Coastal Futures 2023 - Our Ocean and Coastal Future for the Next Decade

We are delighted to offer a range of sponsorship opportunities for the 30th edition of the UK's premier multi-disciplinary marine conference.

The 2023 programme will include six sessions across two days, covering the major themes which over 400 past delegates have voted for. CEO's of major organisations are presenting & we have secured a strong line-up of keynote & sector leads to speak.

We are excited to welcome back delegates in-person for the first time in three years and to offer the combination of a hybrid experience with a livestream to reach a larger audience.

25th & 26th January, 2023 | Royal Geographical Society, London & online

Sponsorship Benefits

The conference audience: Attendance at the online conference in 2022 exceeded 600 delegates from 200+ organisations, and the in-person conference in 2023 is expected to attract over 350 attendees along with a large online audience. This provides an extremely effective way to engage and connect with a wide cross-section of the ocean and coastal sector.

Branding package: Your logo will appear on the conference programme, welcome slide at the conference, and our web-page. Your logo on our website will link to your site.

Exhibition space: An opportunity to display your banners and have staff on-hand to engage the audience during breaks.

Sponsor content: Links to the sponsors' websites are included on the promotional e-mailings to 7,000+ subscribers in the run up to the conference and acknowledged via social media posts.

25th & 26th January, 2023 | Royal Geographical Society, London & online

Sponsorship Benefits

Training: The conference is the largest multi-disciplinary marine conference of its kind in the UK and covers a wide range of current issues. Attendance is a cost effective way of bringing staff up to speed on current thinking and exposure to a wide cross-section of views.

Promotional material: Headline, Reception and Gold Sponsors have the opportunity to show their own short videos during breaks, in the conference auditorium and simultaneously online.

Chairing sessions: Headline, Reception & Gold Sponsors have the opportunity for one of their team to chair a conference session.

Conference film: The Headline sponsor will have their branding displayed in a vox-pop promotional conference film, released following the conference and hosted on our website throughout 2023.

25th & 26th January, 2023 | Royal Geographical Society, London & online

2023

Sponsorship Benefits

Reception: The Reception Sponsor will have prominent banner branding at the reception on day one & acknowledgments of sponsorship throughout the conference.

Headline Sponsors: Prominence will be given at the conference acknowledging the Headline Sponsor status and special acknowledgments of sponsorship throughout the conference.

Suited to you: We are happy to discuss your requirements to find the best package that suits your needs.
